

NEWPORT SAILING WEEK

Welcome to BACARDÍ Newport Sailing Week. Competitors from as far as Australia and as close as own backyard will be among the numerous sailors that will compete in our annual events.

BNSW regatta is scheduled for June 23th - 25th, 2017 with eight participating one design classes. They will all be racing in one course on the beautiful waters of Narragansett Bay, Newport. The event will feature 3 days of activities from award ceremonies, cocktail parties and cultural exhibits which will gather together both the sailors and the local community.

For volunteering opportunities please contact: Antonella Ziraldo antonella@studiomilano.com

We want our Volunteers to have fun! If you decide to participate and be a volunteer at our event we want you get the most from it and we want you to try and enjoy the sailing environment as much as possible.

When you volunteer at one of our events you become part of our family and you represent us. Volunteers are responsible for ensuring the public has a great experience.
